## TO THE VOTERS

### Of Wright County—Read What Wm. F. Rippee Has To Say.

I find it absolutely impossible  
to see each voter in Wright coun-  
ty as well as to visit many of the  
various localities and while it  
would certainly be a pleasure to  
meet and talk with each voter I  
am compelled to do what I be-  
lieve to be the next best thing  
and that is to address an open  
letter to the public.

I have always firmly believed  
that the voters were entitled to  
know just what a candidate for  
office considered his duties and I  
am writing this letter that each  
voter may have something tan-  
gible from which he may deter-  
mine my fitness for the office  
which I seek. Having helped  
my father Geo. W. Rippee make  
his records while he was Asses-  
sor from 1901 to 1905 and having  
been a close observer of this  
office since that date I make the  
following pledges which I am  
confident I will fulfill if I am  
elected.

1st. I will guarantee a fair  
and equitable assessment. By  
this I mean that my standard for  
assessment will be a man's prop-  
erty without considering his  
standing either socially, finan-  
cially or politically. No pets. No  
favorites. Rich and poor alike.

2nd. I will guarantee a cor-  
rect assessment of every school  
district according to the district  
plans.

3rd. I will guarantee that in  
making the Assessors Books I  
will plat the entire county, sec-  
tion by section. For instance,  
the Land Tax Book is made up  
by Section numbers and not by  
owners name and if you have land  
in three sections, your name  
must appear on the tax book  
three times. By platting and  
checking in the manner I state,  
double assessments will be elim-  
inated and a correct assessment  
assured.

4th. I will guarantee to main-  
tain an office in the County Seat  
during my term of office.

I firmly believe that I can be  
of great service to the people in  
this office and I will take great  
pleasure in serving you. I prom-  
ise you that I will spare neither  
time nor labor in making the  
most correct set of Tax Books in  
the history of the county.

Hoping to receive your sup-  
port and assuring you the above  
pledges will be fulfilled, I remain  
Yours for efficient service,  
adv. WM. F. RIPPEE

## TO WRIGHT COUNTY VOTERS

Finding that it will be practi-  
cally impossible for me to talk  
personally with each voter in  
Wright county, I take this oppor-  
tunity to say a few words in the  
half of my candidacy for County  
Treasurer.

I have always held the opinion  
that a public office is a public  
trust. The office of County  
Treasurer, especially, is one  
which calls for the fulfillment of  
duty in a capable manner. If  
the voters of this county shall  
elect me to this office, I promise  
to give my personal attention to  
every detail of the work, and to  
keep the books in the very best  
shape possible.

I feel that in selecting a man  
for the position of Treasurer, as  
with other public offices, politics  
should not be regarded so much  
as ability of the candidate and  
his promise of earnest attention  
to duty in the case of his elec-  
tion. Therefore, I solicit not  
only the votes of my own party,  
but those of my Republican  
friends, as well.

Again earnestly soliciting your  
support at the election on Nov-  
ember 7th, I am  
Yours sincerely,  
Adv. BERT HERRICK

The work of the Ozark Trails  
convention which meets at Okla-  
homa City Nov. 21 will be all  
work from the drop of the gavel.  
These conventions have the repu-  
tation of accomplishing more in  
the two days they are in session  
than most of such gatherings do

vicinity. We certainly appre-
